We are heartbroken and deeply saddened by the recent announcements related to the horrific discoveries of unmarked graves at residential schools.

We acknowledge that we are on stolen land and are committed to learning more about Indigenous history people and experiences.

Below are books and resources to share with children and adults.

2. **Kits, Cubs, and Calves: An Arctic Summer** | Suzie Napayok-Short
3. **We are water protectors** | Carole Lindstrom
4. **The Train** | Jodie Callaghan
5. **It's a Mitig!** | Bridget George

"CHILDCARE PROVIDERS CHANGE THE WORLD ONE CHILD AT A TIME." -AUTHOR UNKNOWN

LOOKING FOR CHILDCARE?

There are many options when looking for childcare and the decisions can seem overwhelming. Deciding what type of care is best for you and your child is a very personal choice with many factors to consider. The websites may help you in your search.

At this time we are particularly aware of nannies and home childcare provider's who are open and ready to offer care in a one on one or small group home environment.

Spaces are also available through Daycare Connection's Home Childcare Program.

I count, you count, we all count. Can you rock it?
I count, you count, we all count. Can you roll it?
I count, you count, we all count. Can you reach it?
I count, you count, we all count. Can you teach it?

We all count in so many ways
Doin' our part each and every day
We need each other every sister and brother
Cause we all count. We all count.

I count, you count, we all count. Can you twist it?
I count, you count, we all count. Can you bend it?
I count, you count, we all count. Can you reach it?
I count, you count, we all count. Can you teach it?

We all count in so many ways
Doin' our part each and every day
We need each other every sister and brother
Cause we all count. We all count.

OUTDOOR PROGRAMMING

Family Resource Connection will be offering outdoor program sessions at Norwood Park and Stephenson Park. Permits have been submitted, however we are still waiting for approval of the applications. In the meantime, we are delighted to offer socially distanced community walks at Norwood and Stephenson beginning Monday July 5th 2021. We cannot wait to see everyone!

Toronto Public Health requires participants pre-register for EarlyON outdoor sessions including walks, that they read and agree to a Code of Conduct, and that they screen themselves ahead of time. Written screening and attendance will be taken at the outdoor EarlyON site as required by TPH.

Pre-Registration will be online through Google Docs. Contact us at earlyonfamilyresource@gmail.com or through our Facebook or Instagram Pages for the link.

Please complete and submit the form and confirm you have reviewed the screening tools to request a space for you and the children coming. Indicate the dates you are interested in and we will email or call you with a confirmation for a specific date. We may not be able to register you for more than one day per week, subject to demand and availability.

If you are having difficulty or are unable to register online, contact FRC at 416-690-0102. We will be happy to pre-register an available outdoor time slot for you over the phone.

The number of participants in each walk or session will be based on the ability to social distance safely.

Programming and walks will be designed with the needs of the group and individual children in mind. The safety of the children, families, caregivers, and staff will be of utmost priority when planning activities and play experiences. We welcome your suggestions and feedback as we plan and create safe and enriching outdoor experiences for the children and yourselves. Please send us your thoughts and ideas.

One on one outdoor sessions are also available. We look forward to seeing you soon!
